

Cafe Recipes

Category: HOT COFFEE

Espresso

Ingredients:

- 18g finely ground espresso coffee
- Extract 30ml espresso in 25–30 seconds

Preparation:

Grind coffee fresh, tamp evenly, and extract espresso until a rich crema forms.

Instructions:

Ensure proper espresso extraction, balanced flavor, and consistent crema quality.

Americano

Ingredients:

- 1 espresso shot
- 120ml hot water

Preparation:

Pour hot water into the cup, then add espresso shot gently to preserve crema.

Instructions:

Maintain smooth flavor balance without over-extraction.

Cappuccino

Ingredients:

- 1 espresso shot
- 120ml steamed milk
- Thick milk foam

Preparation:

Steam milk to a creamy texture, pour over espresso, and finish with thick foam.

Instructions:

Milk texture should be smooth and velvety with balanced foam consistency.

Latte

Ingredients:

- 1 espresso shot
- 180ml steamed milk
- Light milk foam

Preparation:

Pour steamed milk smoothly over espresso and finish with a thin foam layer.

Instructions:

Maintain creamy texture and balanced espresso-to-milk ratio.

Mocha

Ingredients:

- 1 espresso shot
- 20ml chocolate
- 150ml steamed milk
- Optional whipped cream

Preparation:

Mix chocolate with espresso, add steamed milk, and top with whipped cream if desired.

Instructions:

Ensure chocolate is fully blended for smooth flavor consistency.

Category: COLD COFFEE

Iced Americano

Ingredients:

- 1 espresso shot
- Cold water
- Ice cubes

Preparation:

Fill cup with ice and cold water, then pour espresso over the top.

Instructions:

Serve immediately to maintain refreshing flavor and temperature.

Iced Latte

Ingredients:

- 1 espresso shot
- Cold milk
- Ice cubes

Preparation:

Fill cup with ice and milk, then pour espresso gently over the mixture.

Instructions:

Use cold milk for a better texture and appearance.

Cold Brew

Ingredients:

- Coarse-ground coffee beans
- Cold filtered water

Preparation:

Steep coffee in cold water for 12–16 hours, then filter and serve over ice.

Instructions:

Maintain proper steeping time to achieve smooth flavor.

Frappuccino

Ingredients:

- Espresso shot
- Milk
- Ice
- Flavored syrup
- Whipped cream (optional)

Preparation:

Blend all ingredients until smooth and creamy. Top with whipped cream if desired.

Instructions:

Serve immediately while texture remains thick and frozen.

Iced Spanish Latte

Ingredients:

- Espresso shot
- Milk
- Condensed milk
- Ice cubes

Preparation:

Mix milk and condensed milk, add ice, then pour espresso on top.

Instructions:

Ensure sweetness is balanced with espresso intensity.
